

On October 1st please join us at Above The Crust Pizza, located at 7810 W Ann Road at 6pm to release 58 White Balloons in remembrance of 1 October night. We all know that this tragedy has brought together the Las Vegas community and this is our way of remembering 58 angels. As most of you know, this event made a large impact on one of our own Above The Crust family members and we would love and appreciate gathering the community together for this day.
